

WHAT CAN WE DO IN RETURN FOR YOU JESUS?

What can I do for Thee?

I have asked for a rose and you gave me a rose garden
I have asked from you to fill my cup and yet my golden cup overflows
I have asked for a slice of bread and you have given me Your Only Son
I have asked for a taste of honey and you gave me the whole honey cone
Jesus, how sweet are Thee ...
Everything Thee do, thee do in so much abundance

When I speak of Thee I am overjoyed
No one can ever experience any joy which Thee so gladly give
Your word taste sweeter as honey
When I drink it, the honey pours into my veins
It pours into my heart
It cleanses my senses
It feeds my soul and my spirit

You are my first and real true love
I feel butterflies in my stomach...
I also blushes sometimes when you are in my presence ...
I am so overwhelmed...
When Thee touches me my whole body shivers
My heart pumps ten times faster
I am in love with Thee
I am on a cloud of truthiness which is no fantasy...
It is real ...
In the cloud I can feel the warmth and is overwhelmed by God's given Light
I am completely surrounded by Your Presence
I am delighted in YOU
And hope that Thee is delighted in me ...

Jesus, I am your new bride
Can I lay at your feet like Mary did?
Can I whisper in your ear "Jesus what can I do to help you to ease your pain?"
Please Abba I pray that you give me the desire of my heart ...
My desire is true to please Thee in all my "being" here on earth and to help restore other's faith in You - only you
Please heavenly Father, keep on pouring the "Holy Spirit" so that the love fire can burn for eternity...
I am not only pleading for me ... but for those sheep who have forgotten how to pray
Let me share my experiences to light up their day and dear Lord, to find your narrow way!

Dear Jesus, can I ask you to move closer to feel my heart?
Can you feel my pain?
My inner being is screaming out "JESUS please know that I love thee - I truly love thee"
It is my heart talking to you dear Jesus - make me a part of your plan, let me in... to wipe of your tears ... Not in the human flesh because it is full of sin ... but in my spirit
Daddy, it hurts me to see that you are crying over your people in the world and even those who already lost their souls and spirits in the lake of fire, you feel that a part of you are ripped apart every time you loses a soul
Your tears are running from your cheeks every time you think of the lost sheep
You created us in your image
You cried even before I was born

You are love
You are Forgiveness
You are the ONLY hope we have

All you ask in return is to believe in YOU the almighty ... God, Jesus and the Holy Spirit and that you died on the cross for our sins and that the blood of Jesus Christ set the captive free.
No we will not die because you rose from the dead and so shall we
All that you ask in return is to repent and to turn away from sin in order to get eternal life!

Holy is Jesus ...
Daddy, when I do wrong you punish me like all daddies do
It is a sign of love and discipline ...
You are so Holy and therefore HATE sin with a passion ...
You are the opposite of the world ...
You see what is in the heart, mind and soul,
Whether we are poor or not good looking, who cares, for You we are the most beautiful creation ...
O lord, how true are thee...

The world is full of darkness and do not believe in Grace ...
It would rather remind you of your sins according to Laws ...
It condemn you every second of your life ...
Each condemnation eats you up like cancer, bit by bit
The world is cold and swallow you and break your bones
The world have nothing to offer, just poisonous snakes and venom ...
It is always ready to strike and to cause harm and destruction ...
The snake eats and lives for pain and suffering because you are created in the image of "Jesus".
In his pathetic mind he torques Jesus because every time he sees you ... he sees Jesus!
O Lord, Satan is like a roaring lion...
He deceives us and thrive on lust to destroy!

If you want to do something for Jesus, say this prayer and walk the talk until you departure from earth. You must really mean it ... Remember Jesus see our hearts! God bless!

Jesus in your Name I pray this:

"O Jesus it's my heart's desire to give you everything of me now that you have cleansed my soul!
I will sing your worship songs to let you raise even higher up in heaven
I will fill my cup on a daily basis so that it continues to overflow and touches every person around me
Jesus please help me to fall in love with you again, if I have walked to fast when I passed your way
I will preach your word and tell everyone about you Jesus, this is my

covenant with you

May my cup splash and overflow to get your attention and bring joy in Your heart
Jesus my Lord, ABBA, can I contribute a while to let you forget about those who do not know you and support you that you have a victory over my spirit?
Can I sit at your feet like Mary did and treat you for a while?
And dear Jesus, when I meet you in heaven please reward me firstly with your wonderful presence.
I am longing to see your face and your burning eyes of love and to wrap my arms around my Daddy which I've been longing for all my life.

And after that, I will open my book and your love will shine on me and I will receive my crown. I pray this from my heart and please fill me with the Holy Spirit.

In Jesus Name Amen
